

TIPS FOR HAPPY RAMBLEWOOD CAMPERS

Bedding and pillows (the mattresses are slightly bigger than twin but smaller than full size and THICK)

Towels and toiletries (hot and cold running water and toilets in each cabin)

Special dietary food/snacks and medicine. There is a cafe selling snack foods, drinks, and hot dogs/hamburgers.

A hot/cold mug for beverages but there will be cups available. WoD thermal coffee mugs will be for sale.

Chargers and electric strip for multiple plug ins – cabins all have electric outlets

Swim, Rain, Cold weather gear (if needed – we are keeping watch!)
Nighttime does get chilly!

Small flashlight. There are tree roots, rocks, and other obstacles to navigate off-road on your late night adventures.

Shower shoes (flip flops – small and packable). Do you really want to put your feet where some else showered?

Bug spray and sun block. There is a cafe for ice, drinks, and snacks but we do not carry camping essentials.

Please NO space heaters, mini grills or hotplates in cabins (crockpots okay) – meals included, and general store will have food and snacks available for purchase

Your play/toy bag. And, bring your sense of fun, adventure and playfulness!

There is a Royal Farms convenience store within 3 miles of land for miscellaneous stuff but once parked at Ramblewood we ask you to stay on land.
